Cuestiones de Filosofía

Journal Published by the *Escuela de Filosofía* of the *Universidad Pedagógica y Tecnológica de Colombia*.

The journal *Cuestiones de Filosofía* invites all philosophers, researchers and scholars in related areas who may be interested, that the call for papers for the No. 30, corresponding to volume 8 of the year 2022, is now open. Papers should be submitted in accordance with the editorial policy and guidelines described in the section entitled "Author Guidelines".

The deadline for submission is November 30 of the current year.

On this occasion will be published a number open to the different fields of philosophical reflection, with Prof. Dr. Adriano Fabris (Università di Pisa) as guest editor.

Reviews and translations that correspond to the requirements established by the journal will also be accepted.

The journal is biannual and publishes original research articles and reflections of a conceptual nature, which inquire into various fields and currents of philosophical thought and its relationship with other areas of knowledge.

Articles can be submitted to the Open Journal System platform, by accessing the link:
